

# 3MM WILDWATER SHORTIE WETSUIT

Our ever popular Wildwater shortie is back with a fresh new look and flattering silver stitch detail seams.

Constructed from 3.0mm superstretch neoprene that ensures a close and comfortable fit in patterns to suit ladies and gents sizes.

You're sure to be looking great in our ladies velvet purple edition or equally in the gents ocean blue. Smooth-skin seals at the neck, arms and thighs help minimise water ingress and the internal glide-skin zip flap also minimises water flush. Ideal for tropical waters, snorkelling and pool use.
